On behalf of the State President and members of the Country Women's Association of NSW, I would like to acknowledge and thank you for your recent donation to the CWA of NSW's Disaster Relief fund. Your generous donation of \$700 has provided a much needed boost to the fund.

The CWA of NSW's Disaster Relief fund was established to provide assistance to families affected by natural disasters. Your donation will be used to help farm families in NSW who have been directly affected by drought and who are reliant on farming as their primary source of income.

Thank you again for your support and generous donation.

Yours sincerely
